

The Associate of Arts degree (A.A.) at JCCC is a general transfer degree and partners with the first two years of most bachelor degree programs. Students pursuing the A.A. may select courses that satisfy both the A.A. degree requirements and lower division requirements for a bachelor's degree at four-year institutions. The 33 hours of electives within the A.A. allows students to complete additional general education and lower division courses required for specific majors. The A.A. degree requires completion of 64 credit hours. Meeting with a JCCC counselor is strongly recommended for selection of appropriate courses.

The Early Childhood Education program is accredited by the National Council for Accreditation of Teacher Education and approved by the Kansas State Board of Education. Students completing this program and meeting state requirements are eligible for Kansas Teaching Licensure in Early Childhood Unified (Birth through Kindergarten). The BS degree requirements may be completed by distance education through the K-State Division of Continuing Education.

- E Up to half of the credits required for a four-year degree may be completed at accredited two-year colleges. The B.S. in Family Studies and Human Services requires 124 semester credit hours; 62 semester credit hours can be applied from accredited two-year colleges.
- E Each student must complete at least 30 K-State resident credits to be considered for a degree from K-State.
- E A minimum of 45 hours must be at a course level of 300 or above.
- E Students must complete 20 of the last 30 hours of resident credit at K-State.
- E Letter grades are required. Courses with "pass" or "credit" in lieu of letter grade can apply only as unrestricted electives.
- E Grades of "C" or higher are required in all "Professional Studies" courses, and in "Communication" and "Quantitative Studies" courses.
- E Admission to Teacher Education is required to complete the BS degree.
- E All K-State students are required to complete a specific number of University General Education (UGE) credits at Kansas State University. The minimum number of UGE credit hours required is based upon the total number of completed transfer and advanced placement credit (AP, IB, CLEP, DANTES) credit hours accepted by Kansas State University.
