

- ❖ This program applies to students admitted to the School of Education for Fall 2004 and later.
- ❖ Through the Department of Curriculum and Teaching, students can be licensed at the early childhood, elementary, middle or secondary levels; Unified Early Childhood (Birth-Grade 3), Elementary (K-6), Middle (5-8), Secondary (6-12). Licensure in health and physical education is available through the Health, Sport and Exercise Sciences Department.
- ❖ Admission: Students are admitted to the Department of Curriculum and Teaching teacher education programs once a year for the fall semester. Online applications and required materials are due on February 1 for admission for the next academic year.
 - Competitive Programs – Admission is limited in the following: unified early childhood, elementary, secondary history/government, and middle English and secondary English. Students who meet the minimum requirements may not be accepted.
 - Open Programs – Admission to the following programs is non-competitive: middle mathematics, secondary mathematics, K-12 foreign language, middle science and secondary science.
- ❖ Application Procedure: Students seeking admission to the Department of Curriculum and Teaching should complete an online application and provide accompanying information described in the sections below to the School of Education Welcome Center, 208 J.R. Pearson Hall by February 1. The application form is available online at www.soe.ku.edu in mid-November. Students applying are notified of admissions decisions in writing on or before March 15. Students who are accepted will be admitted for the following fall semester.
 1. An applicant must have completed at least 45 hours (see attached list) by the time of application and 55 hours by the time of admission to the School of Education. Completion of all or most of the core courses at the time of application is recommended.
 2. Applicants must have a cumulative GPA and core GPA of at least 2.75 in order to qualify for the pool from which students are selected. No grade lower than C in English, Communication Studies and Mathematics is accepted.
 3. A student must pass all three sections of the Pre-Professional Skills Test prior to submitting application materials. Registration information is available in the JCCC Success Center. The paper/pencil version of the PPST is normally administered six times a year, with registration at least a month in advance. The computer version is taken by appointment. Contact KU Testing Services at (785) 864-2768. Passing scores are Math-172, Reading-173, Writing-172. Passing test scores must be received at the School of Education by the application deadline, February 1.
 4. A student must show teaching potential as evidenced by recommendations from teachers in pre-education courses and/or successful experience with children and youth in related teaching situations (either paid or volunteer).
 5. Also considered in the selection process are individual qualities that reflect a student's ability to make unusually strong contributions to the field of education. Such qualities include unique work or service experience, leadership potential, demonstrated ability to work with diverse populations, and maturity.
