

The Associate of Arts degree (A.A.) at JCCC is a general transfer degree and partners with the first two years of most bachelor degree programs. Students pursuing the A.A. may select courses that satisfy both the A.A. degree requirements and lower division requirements for a bachelor's degree at four-year institutions. The 33 hours of electives within the A.A. allows students to complete additional general education and lower division courses required for specific majors. The A.A. degree requires completion of 64 credit hours, the maximum number of hours from a community college that will be applied toward a bachelor's degree at most four-year schools. Meeting with a JCCC counselor is strongly recommended for selection of appropriate courses.

- ❖ Sixty-four credits may be transferred to KU from community colleges. A minimum of 124 credit hours of course work, including 10 credit hours of field practicum, is required for graduation. At least 24 of the last 30 credit hours must be taken at KU; 45 junior/senior level credit hours are required.
- ❖ Pass/Fail Policy - Not allowable for any required SW (prefix) courses.
