

The Associate of Arts degree (A.A.) at JCCC is a general transfer degree and partners well with the first two years of most bachelor degree programs. Students pursuing the A.A. may select courses that satisfy both the A.A. degree requirements and lower division requirements for a bachelor's degree at four-year institutions. The 33 hours of electives within the A.A. allows students to complete additional general education and lower division courses required for specific majors. The A.A. degree requires completion of 64 credit hours, the maximum number of hours from a community college that will be applied toward a bachelor's degree at most four-year schools. Meeting with a JCCC counselor is strongly recommended for selection of appropriate courses.

Effective for students admitted to the School of Education for Fall 2007.

- Minimum cumulative and core GPA's of 2.75 (including all transfer hours) and a minimum of 40 core hours are required for admission to the School of Education. **Core courses are indicated (*) below.**
- No grade lower than a C in English, Communications or Mathematics is acceptable.
- Admission to the Sport Management program is selective. Having the minimum cumulative and core GPA's does not guarantee admission.
- Candidates are reviewed for admission twice a year. Deadlines for all applications are February 1 for fall admission and September 15 for spring admission. Applications should be submitted to the School of Education Welcome Center, Joseph R. Pearson Hall, Room 208.
- Students will be notified of acceptance.

Sixty-four credits may be transferred to KU from community colleges. Students should be aware that 45 junior/senior credit hours are required for completion of the bachelor's degree; 30 of those hours must be at KU; and community college courses do not transfer as junior/senior hours.
