KANSAS IS A UNIFIED STATE. THE NEA, KNEA, AND LOCAL ASSOCIATION MAY NOT BE JOINED SEPARATELY.

*The PAC contribution will be shared with local and state political action committees for them to support candidates for state and local office. A member may request and obtain a refund for a state PAC contribution by completing a form available from his or her local association or Uniserv office. Whether a member contributes to PAC or not will not affect his or her membership status, rights, or benefits in NEA, Kansas NEA, or any of their affiliates.

Dues payments and contributions or gifts to KPAC, and local PAC are not deductible as charitable contributions for federal income tax purposes. Dues payments may be deductible as a miscellaneous itemized deduction.

I hereby authorize the Board of Education to deduct from my salary my professional dues, assessments, and voluntary contribution to KPAC, as these sums are established or suggested annually to the local NEA-affiliated teachers association, as indicated above, and to forward such amounts to that local association. This authorization is to continue in force unless revoked by me for a succeeding membership year by giving written notice in that effect to my local association on or before August 10. I understand that if my employment is terminated prior to the deduction of the amounts authorized herein, the unpaid portion of the dues, assessments, and KPAC will be deducted from my final check. I understand that of the total NEA dues, \$4.60 is for a subscription to *NEA TODAY* and \$18.00 is for the higher education publications, \$2.55 is for the retired publication and \$2.55 for the student publication for one year. Of the KNEA dues, \$2.50 is for KNEA *Issues*. The publication(s) received by members are based on membership category.
